### RECENT ACTIVITY

**Katniss Everdeen** So... You... you liked me.. I.. Um.. Thanks...

**Cinna** We need to get you looking absolutely magical! The interviews are next and you two are going to rock the show once we're done! ;)

**Peeta Mellark** I can't believe it's already the last day of training already, I sure am going to miss the room service... and my life, I'm definably going to miss that too, when I get slaughtered. :C

**Peeta Mellark** Aaahhh, this room service is the best! Maybe going to the hunger games isn't ALL that bad, especially with service like this! XD

**Katniss Everdeen** The cold night air feels great after that long day of training doesn't it? I'm glad we got to talk, like normal people.

**Haymitch Abernathy** Hey kid! No sleeping in, we need to get you into tip-top shape for the games!

**Peeta Mellark** Could people stop with the waking me up early thing? Every time someone does something bad happens!

## RECENT ACTIVITY

**Peeta Mellark** Amazingly our mentor, Haymitch is not a complete idiot, we may actually have a chance! :D

**Peeta Mellark** Well I'm feeling horribly sick, and this train just goes on forever, and ever. I wish this was all just a dream.

**Peeta Mellark** Wow.. Just wow... my parents are rooting for the girl over me! Over their own son! This is just the worst day ever. :C /slash wrists

**Peeta Mellark** Oh joy, I'm competing against the girl I liked since I was a kid! This day just keeps on getting better and better!! :D

**Peeta Mellark** Been chosen for The Hunger Games and no one wanted to take my place unlike the girl Prim, lucky me. >\_>

**Effie Trinket** WAKEY, WAKEY! Today is the start of the Hunger Games, assemble in the town center for the drawing of names, and my the odds be ever in your favor!
