

Wondering how to earn a digital fluency badge?

Wanting a professional learning opportunity to fit your schedule?

Needing to learn about technology tools to support your teaching practices?

Visit ssla.sk.ca/Badges for answers to these and other questions about SSLA Digital Badges!

The Saskatchewan School Library Association (SSLA)'s Digital Fluency Badges provides a professional learning opportunity in which participants earn digital badges through learning about technology tools and applications to apply to teaching practices.

Digital badges offer participants the opportunity to pave their personal learning pathways and leverage the potential for mastering digital age skills, or *digital fluency*, embodied in the *ISTE Standards* and *Saskatchewan's Technology in Education Framework*.
